TERMS OF SALE

PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

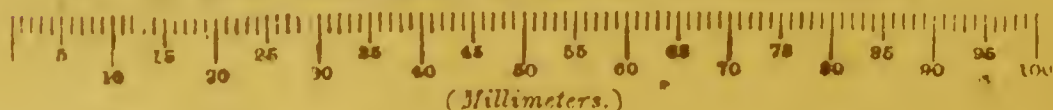

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, **CASH WITH ORDER**. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Wednesday, December 18th, 1918.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

Lot No. 1000

**THE EXCESSIVELY RARE
THREE-DOLLAR GOLD PIECE OF 1875**

- 1000 \$3.00 1875. Magnificent brilliant proof. Only twenty specimens coined, and less than half that number now known. One of the rarest of all United States gold coins.

This specimen is from the Smith Collection, at \$1,125.00, sold by me in May, 1915. I do not recollect of another specimen having been offered since then. This identical specimen was formerly in the Woodin and Jackson Collections, respectively. At the sale of the latter Collection it brought \$1,150.00. It is interesting to note that no heretofore unknown specimens of this rarity have appeared, and that this specimen is the only one that has been offered at auction in the past ten years or more. No finer example than this specimen exists of this great rarity.

When sending your bids, tell me to enter your order for a Price List of this interesting Sale. The List will be issued promptly after the Sale and supplied at only fifty cents.

At my Sale of October 29th, more than three hundred Price Lists were sold. This is evidence of the value of these Lists to all who are interested in numismatics. Send your order now while you are thinking about it.

"He Profits Most Who Serves Best"

An unsolicited letter from one of my clients—

Cornwells Heights, Pa.

November 1, 1918.

B. Max Mehl,

Fort Worth, Texas.

Dear Sir:-

Received my coins this morning and they are entirely satisfactory. I would like to commend you on the service of your concern, as I received the coins five days after I mailed my order (Oct. 26th), while an order placed the same day with a Coin Company in New York, a distance of seventy-two miles from Cornwells Heights, has not even been acknowledged.

Of course, it is natural, with one who has a new hobby, when placing an order, to be curious to see just what will be received, and anxiously await its arrival. Therefore, you will readily understand why I entertain a better feeling for you.

Enclosed please find application and check for your monthly publication.

Yours very truly,

(Signed)

LESLIE G. BILES.
